

Student Workbooks Year 1 to 6 2023

Parkwood Primary has a whole school focus on improving student outcomes through the explicit teaching of literacy and numeracy.

During 2022 we have trialled Prime Mathematics in our Year 1–4 classes. In 2023 Prime Mathematics workbooks will be integrated into our Mathematics teaching and learning program from Year 1–6. Targeting Handwriting workbooks will also be introduced in Year 1–6.

In recognition of cost of workbooks to parents, the School Board has endorsed the school's decision to supply all scrapbooks and exercise books for use in class.

Parents will be asked to supply school supplies (pencils, glue etc.) and to pay for Prime Mathematics and Targeting Handwriting workbooks for Year 1–6 students. **It is important your child has these workbooks so they can engage fully from Day 1 of the 2023 school year.**

Prime Mathematics Book A (required at beginning of Term 1 2023)

Prime Mathematics Book B (required at beginning of Term 3 2023)

Targeting Handwriting (required at beginning of Term 1 2023)

Payment will be accepted during Term 4 2022. Prime Mathematics Book A and Targeting Handwriting will available for collection on 30th January 2023 from 9.00 to 11.00am & 31st January 2023 from 2.00 to 4.00pm.
